

# **Honors Writing Workshop Summer Reading Project**

Your prerequisite project for Advanced Writing Workshop will consist of two reading selections. Please complete all reading prior to your first class of the next academic year. Please bring both books to class on the first day.

## **Assignment 1: *On Writing*, Stephen King:**

Please purchase and read this lively and entertaining text about the pitfalls and concerns of both student and professional writers. As you read, highlight and annotate the text with your responses to the information and advice set forth in this book. Be prepared to discuss his advice for usage, syntax, editing, and revision.

## **Assignment 2: Stephen King selection**

Choose one of Stephen King's many novels or his collection of short stories to read and enjoy over the summer. We will be examining his works at the beginning of the course, so you will need to bring your copy to class to use during the first week of classes.
