Volunteer Opportunities

LHS PTSO Membership does not come with an expectation that you will volunteer. However, if you are interested in further supporting LHS and our PTSO, we do have many different volunteer options available to you that include committee work, short-term projects and one time help with a specific activity.

2011 – 2012 PTSO Volunteer Needs

Responsibilities for each of these needs can be shared among several individuals

1	Membership	Promote membership, maintain membership database, Email meeting reminders and informational notices
2	Website Administrator	Maintain and update our website with current news and upcoming events - website ' lancerPTSO.org '
3	Publicity	Our organization plans periodic special events and guest speakers that may require local news promotion
4	Teacher Grants	A committee reviews and makes recommendations concerning teacher grant proposals submitted by LHS staff
5	Teacher Appreciation	The PTSO plans and coordinates an annual spring Teacher Appreciation Breakfast
6	Graduation Flowers	As a fundraising activity, the PTSO sells flowers for graduating seniors at the June commencement ceremonies
7	Single Project Support	We need volunteers willing to provide baked goods for special events or to help on 'as needed' basis for a specific activity
