Article 11 – Amendment to School District Charter

Shall the Londonderry School District vote to amend the Londonderry School District Charter to revise the definitions/references to operating budget and default budget as follows? (Words removed are struck through and new words are in bold)

1) In Article IV.A – revise the article as follows:

“Operating Budget” means ‘budget’ as defined in RSA 32:3, III exclusive of “special warrant articles” and exclusive of all other appropriations voted separately, all in accordance with RSA 40:13, IX.

2) In Article IV.B, delete: “Default Budget” means the budget figure arrived at by the following calculations contained in RSA 40:13, X and replace it with:

“Default Budget” means the amount calculated by starting with the amount of the appropriations contained in the operating budget authorized for the previous fiscal year, reduced and increased as the case may be by: 1) debt service, 2) contracts previously incurred, 3) salary and other related employee costs [benefits, taxes] previously incurred, and 4) other obligations previously incurred or mandated by law, and reduced by one time expenditures contained in the operating budget. For the purposes of this paragraph, one time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the School Board.

The “Default Budget” is not in fact a budget. It is an “amount” that will be raised if the proposed operating budget is defeated. If the Default Budget is adopted because of the defeat of the Proposed Operating Budget, the amount raised and appropriated may be expended on any purpose contained in the School Board’s Proposed Operating Budget that was defeated. The total amount available for expenditure when operating under the Default Budget will not exceed the default amount plus the amount appropriated by separate and special warrant articles except as otherwise provided by laws such as, but not limited to, RSA 32:9-11, RSA 198:20b, RSA 186-C:13, II, and RSA 186-C:18, X.

For the purposes of this Section IV.B, “previously incurred” means on or before the first session of the Annual Meeting at which the default budget is presented to voters.

3) In Article VI.A.1, revise the article as follows:

The Proposed Operating Budget warrant article shall set forth the precise dollar ($) amount of the proposed budget of the School District and a Default Budget as determined by the School Board after following the calculations in RSA 40:13, X Section IV.B above.

4) In Article VI.A.2 revise the last sentence of the paragraph as follows:

The default budget may be amended by the School Board acting on relevant new information at any time before ballots are printed.
